[Welcome to SP-API Documentation](#)[What is the Selling Partner API?](#)[Selling Partner API Onboarding Overview](#)

A+ Content Examples

Examples of the modules that you can use to create A+ content pages.

You structure A+ content using content modules. Content documents consist of one or more content modules.

The following image is a content document that contains these content modules (listed in order):

1. StandardFourImageTextModule
2. StandardTextModule
3. StandardFourImageTextQuadrantModule
4. StandardTechSpecModule
5. StandardComparisonTableModule

StandardImageSidebarModule

Laboratory Review
The yellow laboratory mouse is one of several types of mice used for research. Labs are interested in their size, weight, and how long they live. Labs are also interested in their behavior and how they interact with other mice.

Animal Facts
Dogs are domesticated animals that have been bred for thousands of years. They are one of the most common domesticated animals, along with cats, fish, and birds. Dogs are also used for research and as pets.
