SP-API General FAQ

Frequently asked questions about SP-API.

▼ Do I need a professional selling account to register as an SP-API developer?

No. If you register as a developer in the [Solution Provider Portal](#), you don't need a professional selling account to develop or integrate with the SP-API. For more information, refer to [SP-API Registration Overview](#).

▼ Which version should I use when there are multiple versions of the same API?

We recommend using the latest API version. Latest versions address
