What is the Selling Partner API?

Selling Partner API Onboarding Overview >

Onboarding as a Developer >

Step 1: Prepare for Registration

Step 2: Create a Solution Provider Portal Account

Step 3: Create a Developer Profile

Step 4: Register a Sandbox Application

Step 5: Make Your First Call to the SP-API Sandbox

Step 6: Set up the Authorization Workflow

Step 7: Register Your Production Application

Step 8: Call the SP-API in Production

Step 9: Test Your Application

Step 10: List Your Application

Onboarding as a Service Provider >

Terminology

Frequently Asked Questions >

Step 2: Create a Solution Provider Portal Account

Create a Solution Provider Portal account to manage your SP-API applications.

Before you develop applications that integrate with the Selling Partner API (SP-API), create a Solution Provider Portal account. For details about the Solution Provider Portal, refer to [Solution Provider Portal](#).

★ Tips for success

- Have your business registration number ready.
- Scan your identity proof (government-issued ID or passport)

Provider Portal account

To create a Solution
Provider Portal
account, take the
following steps:

1. Sign in to [Solution
Provider Portal](#)

with your Amazon
credentials.

If the display

shows **Not**

Authorized, you

don't already have

a Solution Provider

Portal account, so

continue with this

procedure.

2. Choose **Register**.

3. On the **Solution
Provider Portal
Account Setup**
page, choose
**Acknowledge &
Continue**.

4. On the **Program
Enrollment** page,
choose the box,
select your
Amazon account
number, and then
choose **Enroll and
Finish**.

5. On the **Solution
Type Setup** page:

1. Select one or
more of the
following
options:

1. **Build
applicatio**

Delete an Application From Your Developer Account

**ns that
use SP
APIs**

CALLING THE SP-API

Configuration Details >

2. Offer services

Call Structure >

2. Choose **Apply**.

The rest of this procedure assumes that you selected

Call Structure >

Build applications that use SP APIs.

Development Tools >

Performance Management >

6. On the **Solution Provider Portal** page:

1. Select **Verify your identity**.

2. Choose **Get Started**.
