Step 4: Complete the Service Profile for Your Company

GET STARTED

Welcome to SP-API Documentation

What is the Selling Partner API?

Selling Partner API Onboarding Overview >

Onboarding as a Developer >

Onboarding as a Service Provider >

Step 1: Learn the Service Provider Registration and Permissions Workflow

Step 2: Create a Solution Provider Portal Account for Your Company

Step 3: Verify Your Identity

Step 4: Complete the Service Profile for Your Company

Step 5: Apply for Seller Central Roles

Step 6: Invite Employees to Your Account

Step 7: Connect With Sellers

Step 8: List Your Service in the Service Provider Network

Step 4: Complete the Service Profile for Your Company

Set up your business profile and describe the services that you offer.

After you verify your identity and your company's identity in the [previous step](#) , you can complete the service provider profile in Solution Provider Portal. As with the previous onboarding steps, only the service provider administrator performs this step because each company should have only one Solution Provider Portal account.

Before you begin

For business verification, have the

REGISTRATION

[SP-API Registration Overview](#) >[Developer Registration Request Status](#)[Third-Party Provider Registration](#) >[Service Provider Registration and Role Approval Process Overview](#)[Website Guidelines for Public Developers and Service Providers](#)[User Permissions for Service Providers](#)[Register your Application](#)[Update your Application Information](#)[Rotate your Application's LWA Credentials](#) >[View your Application Information and Credentials](#)[Learn How Sellers Authorize Service Providers](#)[Selling Partner API Roles](#) >

following information
available:

- **Business details:**
Legal business name, address, phone number, and website.
- **Contact information:**
Primary business email address and phone number.
- **Business description:** Clear explanation of the services you provide to Amazon sellers.
- **Administrator details:** Name and contact information for the person who will manage the account.

Steps to complete your service provider profile

After Amazon verifies your identity, take the following steps:

1. In [Solution Provider Portal](#), choose **Get started after your identity is verified**.
2. Enter your company's name, address, and

contact
information for the
primary point of
contact.

3. Return to the
Solution Provider
Portal home page,
and then select a
Service Category.
(This option isn't
available until your
identity is verified.)

Initially, you can
only select one
service category, so
choose your main
service offering. To
add other services
later, go to the
Solution Provider
Portal home page
and choose **Add a
service**.

4. Enter your use
cases. When you
describe your use
cases, you must:

1. Explain
specific
functions
within your
chosen
category. For
more
information,
refer to
[Amazon SPN
service
categories](#).

2. Provide
additional
information
for restricted
roles that
