Welcome to SP-API Documentation

Information about how to use the SP-API documentation site, and quick links for SP-API content.

Welcome to the Selling Partner API (SP-API) documentation site, where you can find multiple resources to help you integrate with SP-API.

This site is for developers who want to create applications for selling partners (applications for sellers, vendors, or both).

Sections in this site that apply only to applications for sellers are marked **for seller applications only**. Sections that apply only to applications for vendors are marked **for vendor applications only**. All other sections apply to all selling partner applications.

★ Tip

To check the current status of all SP-APIs, refer to the [API Health Dashboard](#). You can access the API Health Dashboard any time by selecting the **API Status** button in the upper right corner of the SP-API documentation site.
